### **Marketing Research Conceptual Framework Simply Educate Me**

Example Conceptual Framework on Marketing Research. One of the popular marketing research activities focuses on product quality and services. I illustrate product and service research with a personal experience below. A few years back, I answered a simple questionnaire soliciting my feedback on the product and services of a pizza shop. The questionnaire sought my rating of pizza taste, service speed, and the courtesy of the server.

Design/methodology/approach The conceptual framework is drawn from the relationship marketing (RM) literature and applied to a school context in the United Kingdom. In doing so, it provides a simplified representation of the environment in which schools operate and a valuable classification structure for the many different relationships a school has. This framework will be of benefit to both academics and practitioners.
