The doctrine of freedom of contract Law Teacher

The Principles of European Contract Law, however, state that this freedom is subject to the requirements of good faith, fair dealing and the mandatory rules established under the Principles. Accordingly, the law has intervened to guide parties as to which terms they can contract on to effectively balance the inequality in their bargaining power, and ensure optimum protection for the consumer who, most times, has limited expertise in the field.

Freedom of Contract Law and Legal Definition USLegal Inc

Freedom of contract is a judicial concept which holds that contracts are based on mutual agreement and free choice. Therefore, contracts are not be hampered by external control such as governmental interference. This is the principle which supports that people are able to fashion their relations by private agreements, when opposed to the assigned roles of the feudal system.
