About Human Development Human Development Reports

The first Human Development Report introduced the Human Development Index (HDI) as a measure of achievement in the basic dimensions of human development across countries. This somewhat crude measure of human development remains a simple unweighted average of a nation s longevity, education and income and is widely accepted in development discourse.

Human Development Report 2016 Human Development for Everyone

Human development has enriched human lives but unfortunately not all to the same extent, and even worse, not every life. It is thus not by chance but by choice that world leaders in 2015 committed to a develop - ment journey that leaves no one out a central premise of the 2030 Agenda. Mirroring that universal aspiration, it is timely that the 2016 Human Development Report is devoted to the
