Freedom of Expression in History and in Theory Oxford

The notion of having the freedom of expression was furthered through the 1950 European Convention on Human Rights, the 1948 Universal Declaration of Human Rights, and was ratified in France in 1975. This article first seeks to rebut a prominent objection to this approach: furnishing governments with the power to nudge leads to relations of alien control, that is, relations in which some people can impose their will on others a concern which resonates with republican, Kantian, and Rousseauvian theories of freedom and relational theories of autonomy.

The Philosophy of Freedom Wikipedia

Steiner had wanted to write a philosophy of freedom since at least 1880. The appearance of The Philosophy of Freedom in 1894 was preceded by his publications on Goethe, focusing on epistemology and the philosophy of science, particularly Goethe the Scientist (1883) and The Theory of Knowledge Implicit in Goethe's World Conception (1886).

A Theory of Freedom From the Psychology to the Politics

Pettit admirably aims to give a theory of freedom that makes its significance to our lives clear: it readily connects the domains of individual and political freedom, while it grounds freedom in deeply rooted practices that are themselves embedded in inescapable human sentiment and response. More argumentation to support the conceptualization of freedom as fitness for responsibility would be well worth the work to see if Pettit's innovative view is viable.

In reality, value is situationally dependent. I give you something that you value more than I do, and you give me something that I value more than you do. There is a net gain in value both goods at the end are worth more

Will freedom of religion ever be scrutinized for the

I live in the USA, where religion is a constitutional right, and there is a "separation of church and state." However, I find it rather difficult to believe this country won't eventually step in and prevent parents from "brainwashing" an uncomprehensible theory into children under the age of 7 years old.
